FAVORITE CHEAP MEAL

I just moved to Chinatown, but in the East Village, where I used to live, I love the veggie special at Crif Dogs on St. Marks Place. Downtown Bakery on First Avenue between 4th and 5th is authentic Mexican, and anything there is amazing. Daphne's on 14th Street between Second and Third has really good spicy jerk chicken. The best all-night sandwich spot is Sunny & Annie's deli on Avenue B at 6th Street. My friend and I think they put drugs in the sandwiches because you crave them.
